(AP) -- Experience the Passion of Christ - in 140-character bursts.

In a marriage of Christian tradition and digital technology, Wall Street's Trinity Church is using the micro-blogging service Twitter to perform the story of Jesus Christ.

The main characters will tweet the Passion play for three hours beginning at noon on Good Friday. The feed also can be delivered to [mobile devices](#) or e-mail addresses.

The lower Manhattan Episcopal parish also is offering a Web version of the Stations of the Cross.

The church was founded by a small group of Anglicans in 1697.
