

Nokia 7705 Twist puts a new twist on messaging

September 10 2009

Verizon Wireless and Nokia introduce the Nokia 7705 Twist, a fun phone with a unique square shape that swivels open to reveal a full QWERTY keypad. The phone's shortcut buttons provide quick access to messaging, the 3.0 megapixel camera, Web browsing, V CAST Music with Rhapsody, voice commands, and speakerphone options.

The Contact Light Ring, located in the lower right corner, can be customized to identify a message or a call from those listed in the

contact directory. Customers may purchase the Nokia Twist online at verizonwireless.com beginning Sept. 13 and in [Verizon Wireless](#) Communications Stores on Sept. 21.
