Showgoers try out games at the PlayStation 3 exhibit in 2009. Sony revealed on Monday that mobile phone game sensation "Angry Birds" is heading for the Japanese entertainment giant's PlayStation 3 consoles and PSP handheld videogame devices.

Sony revealed on Monday that mobile phone game sensation 'Angry Birds' is heading for the Japanese entertainment giant's PlayStation 3 consoles and PSP handheld videogame devices.

The addictive puzzle [game](#) in which players catapult birds to smash through structures protecting egg-stealing green pigs has rocketed to popularity since being released by Finland-based Rovio Mobile in late 2009.

"Angry Birds" will feature 63 levels, Sony said in a PlayStation blog

message listing games set for release in the coming week.

Sony did not indicate the price it would charge for "Angry Birds."
