

Amazon workers on strike in Germany

November 25 2013

An Amazon employee blows a whistle during a strike action at Amazon's logistics center in Bad Hersfeld, central Germany, Monday, Sept. 25, 2013. Hundreds of Amazon.com Inc. workers stage a strike in Germany and the union says there will be more to come in the run-up to Christmas unless the online retailer raises wages. The one-day warning strike Monday at Amazon's distribution centers in Bad Hersfeld and Leipzig were the latest of several as the ver.di union pushes for wage agreements similar to those governing retail and mail-order workers. and the union says there will be more to come in the run-up to Christmas unless the online retailer raises wages.

The one-day warning strike Monday at Amazon's distribution centers in Bad Hersfeld and Leipzig were the latest of several as the ver.di union pushes for wage agreements similar to those governing retail and mail-order workers.

Amazon has already agreed to pay Christmas bonuses but ver.di says the concession isn't enough and it "is in Amazon's hands" whether there are more strikes.

Amazon says that its warehouses are logistics centers and employees are already paid on the upper end of what other workers in that industry earn.

Amazon employees rally outside the Amazon distribution center in Leipzig, eastern Germany, Monday, Sept. 25, 2013. Hundreds of Amazon.com Inc.
