

Video: Clean up your life with chemistry life hacks

April 13 2015

Credit: The American Chemical Society

Ever run out of your go-to cleaning product, and you've got a mess that you just can't leave alone? Have no fear, chemistry is here. Reactions is back with another round of our Chemistry Life Hacks series, and this week it's all about cleaning.

Learn how to make your own glass cleaner, keep [red wine](#) from staining

your carpet and why spit, yes spit, can also be a great cleaning product.

Check out the video here:
