

## Video: Are wine baths useful or a waste of money?

July 16 2015

---

Credit: The American Chemical Society

An NBA all-star recently made a splash posting a photo of himself in a bathtub full of red wine.

Wine baths are advertised as a high-end spa treatment that's good for your skin. But do they work?

Speaking of Chemistry's Matt Davenport tested the claim with chemistry... and a kiddie pool.

Check it out here:
