

# NASA image: Morning aurora from the space station

October 12 2015

---

Credit: NASA

NASA astronaut Scott Kelly (@StationCDRKelly) captured this photograph of the green lights of the aurora from the International Space Station on Oct. 7, 2015.

Sharing with his social media followers, Kelly wrote,

"The daily morning dose of #aurora to help wake you up.  
#GoodMorning from @Space\_Station! #YearInSpace"
