

Video: A very happy Speaking of Chemistry Thanksgiving

November 24 2015

Credit: The American Chemical Society

There's plenty to be thankful for this Thanksgiving, aside from turkey, giblets and gravy.

In this episode of Speaking of Chemistry, our hosts share the extraordinary chemistry behind some of the things they're grateful for this year, including a sustainable jet fuel, a molecule that helps us see

better and a drug that changed one host's life.

It's all just a click away:
