

Twitter user base stalls at 320 million

February 10 2016

Twitter said its growth stalled at the end of last year, holding at 320 million active monthly users, in a disappointing quarterly update for the struggling messaging platform

Twitter said Wednesday its growth stalled at the end of last year, holding at 320 million active monthly users, in a disappointing quarterly update for the struggling messaging platform.

Twitter shares dropped more than five percent in after-market trades that followed release of its latest earnings report.
