

Video: The science of staleness: How to bring chips and bread back from the dead

September 28 2016

It's football season, which means it's time to get the game-day snacks ready. Don't let stale chips put a damper on football night.

This week, Reactions covers the [science](#) of staling, including the role starches play and some chemistry-backed tips you can use to save stale bread and chips.

Grab the dip, and then check it out here:
