

Video: Why durian is the smelly 'king of fruits'

August 15 2017

Credit: The American Chemical Society

Durian is known as the king of fruits in Southeast Asia, but it's also banned from many public spaces due to its powerful odor.

This week's Reactions video explains the unique chemistry behind durian, and features fellow YouTubers from PBS Digital Studios reacting to this stinky delicacy as they try it for the first time:
